

Villa Russo

Catering Menu

The Villa Russo began in 1954 as a small neighborhood pizzeria. Through service to its patrons and unique family recipes it grew into a full service restaurant producing the highest quality Italian cuisine.

Over a decade ago the Russo family closed its restaurant operation to concentrate on its extremely popular and successful catering business. Now, in the wake of recent events, the Villa Russo will once again deliver some of the dishes that made it such an iconic eatery destination.

We are pleased to be offering our quality meals for curbside pick-up at our Richmond Hill location, or delivery to your home at a discounted price during this difficult time. Our menu dishes are delivered in family style portions that serve either 2-4 people in our half trays or 6-8 people in our full trays.
